Product Description RACING PERFORMANCE BRAKE LINES
HOSES HONDA CIVIC TYPE R FK2 15+

Description

RPB BRAKE LINES eliminate the risk of unreliable brakes, giving you premium quality brake performance at the same time. Incredible value for money for premium quality braided brake lines. These are braided brake lines you can 100% trust in any type of car. Your braking will feel smoother and stronger. That spongy brake feeling will be eliminated, making your brakes crisp and responsive. Suitable for all 2015+ Civic Type R FK2.

- The highest quality, 100% stainless steel, non-corroding braided brake lines.
- Covered with RPB Lifetime Warranty as standard.
- FMVSS-106, ADR, LTSA, DOT and TUV approved.
- So reliable that they're used in many high performance, racing and custom cars.
- Coated in a wipe-clean PVC cover.

Applicable to:

-Civic 2015+ FK2 Type R
