Description

This combo package contains:

- 1x Motul 8100 motorolie 5 liter 5W40 full synthetic
- 1x HAMP Synergy oil filter
- 1x Sump plug washer

This kit contains the parts for a quick oil service for your Honda. The fluids can be used on almost every Honda and the fuel filter will fit on all the 88-12 Honda's. To make your service complete we also offer coolant and fuel/air filters and other parts for each specific model. You can find the model specific parts in the category service parts after selecting your model.

We also offer other combo package when you want to give your Honda a more complete service.

Maintain your car just as Honda intended with this maintenance kit.

Applicable to:

- Honda (We offer a different package for the S2000 model)
